## ***504 SOP 50-10(5) Training***

SBA has issued new Standard Operating Procedures (SOP) which will go into effect on August 1, 2008, and it is the first update to the SOP since 1997. It is much shorter and is available on the internet at SBA's web site with electronic search features. To help summarize the important changes, Business Finance Group will be hosting free training sessions at our headquarters in Fairfax, Virginia. Seating is limited, so please RSVP early!

**Dates:** Wednesday, August 6, 2008
